

QUAN LOI GETS MARS

Now you can call home by way of MARS! NO, not the planet but the Military Affiliate Radio System (MARS).

The Quan Loi Base Camp is being given a MARS station. Construction is now under way and should be completed soon.

Located in Bldg. T26, near the

Quan Loi EM Club, GI's will be able to call home and speak (limit of 3 minutes) to their loved ones from a real live phone booth.

Qualified Ham Radio Operators or personnel with MARS Operating Licenses are asked to contact Lt. C.L. Steel at Shotgun 10 to work at the station on a voluntary basis.
